Please give an 80-100 word explanation on why you feel you are suited for this nomination (To be filled up by nominee):

Over the years, I have initiated, spearheaded, and successfully completed various projects for the benefit of the organisation, its members and stakeholders. Since stepping up to take on Presidency, I have taken an effort to understand the governance framework and processes concerned with managing the overall direction, effectiveness, supervision and accountability of the organisation which recently gained the IPC status. All this, while leading the CET and Advocacy subcommittees and ensuring a smooth workflow between the volunteer committee and secretariat. I strongly believe the experience I have gained over the years, and the relationship I have built with the team will enable me to further contribute to the development of the organisation to ensure SDEA stays relevant as an organisation, dynamic as an advocacy group, and effective as an intermediary to serve the arts community in the best way possible.

Please give an 80-100 word explanation on why you believe in this nomination (To be filled up by either backing SDEA member):

As President since the time I joined the committee last year, Asha has been instrumental in the running of the organisation in the past year or so. Asha has inspired the committee to work smarter, and find better ways to improve on our day to day processes. She has also been great at communicating her ideas and facilitating discussions among the team. I enjoyed my time collaborating with Asha on the recent Theatre Arts Conference which she had led with confident hands even though it was her first time. This has also given me the confidence to be able to do more. I do not doubt that Asha has the skills to lead the committee again in the next tenure, on top of her experience of having been president in this cycle.
